ARE WE NOT CATS

DRAMA, ROMANCE

Are you a fan of David Lynch? Alex Cox? Then meet Xander Robin.

His debut feature film ARE WE NOT CATS has been selected as the closing film for the Venice Film Festival's prestigious Critics' Week. The only US film featured in the section this year, it's a macabre arthouse indie, centered around a hairy love story.

A young drifter with nothing to his name but a beatup truck, falls in love with a mysterious girl with an appetite for hair.

With its unabashed look into the strange compulsions that define us, the film is sure to inspire a cult following.

10 DAYS IN A MADHOUSE THE NELLIE BLY STORY

"MUST SEE MOVIE" – *Ms. Magazine*

"STUNNING" – *NY Times*

A TRUE STORY BASED ON THE EPIC INVESTIGATIONS OF THE
1st FEMALE JOURNALIST

Based on her sensational book, 10 DAYS IN A MADHOUSE tells the true story of world renowned journalist, Nellie Bly who, at 23 years old, feigned insanity and had herself committed into the notorious Blackwell's Island Insane Asylum. Working for Joseph Pulitzer and The New York Times, Bly went undercover to expose the atrocities, corruption, abuse and murders that took place in the asylum.

This historical thriller shocks audiences with the brutality of the nurses towards patients, some of whom Bly believed were as sane as she was. Bly's "Ten Days in a Mad-house" ultimately changed the way the world cares for the mentally ill, by shining a light on these unspoken crimes.

THE SHEIK

THE UNFILTERED AND SHOCKINGLY ENTERTAINING STORY ABOUT THE IRON SHEIK (KHOSROW VAZIRI).

The Sheik was selected as Hot Doc's 2014 Special Presentations collection.

Once the most outlandish of professional wrestlers, Khosrow Vaziri – a.k.a. The Iron Sheik - is now, at 72, the most outrageous personality on Twitter, a man who routinely shocks even Howard Stern. But the story behind the oversized personality is raw, touching, emotional and almost unbelievable.

THE SHEIK tells the real life story of "The Iron Shiek" and how he started as an impressive athlete from Iran who built his occupation in America as a professional wrestler. He was banned from the WWF at the height of his career after being busted for cocaine. His life spiraled out of control after that as well as from the death of his oldest daughter. Broke, handicapped, and on the verge of divorce, a family friend got his life back on track and The Iron Sheik stepped back into the limelight as a social media God. THE SHEIK has a very positive, touching ending.

Picking up directly after the events portrayed in Tobe Hooper's 2004 version of **The Toolbox Murders**, the film intensifies the terrifying exploration into one of Hollywood's most twisted killers as yet known in the annals of American history. The killer reappears in the neighborhood where Nell and Stephen lived in the last film and Nell is found brutally murdered. When her sister Samantha is notified, she is completely panicked little knowing that she is soon to be kidnapped and held captive in his house of horrors and will undergo the most unspeakable tortures with little hope of escape. But does she?

The film is guaranteed to shock and thrill the viewer while pushing every envelope imaginable as it leads the viewer into the darkest recesses of what is to become one of the classic horror films of the millennium.

THE GRAND

The Grand is set in the world of professional poker and follows six players who reach the final table of the Grand Championship. One of the players (WOODY HARRELSON) has a lot at stake, his plan is to buy back his dead grandfather's hotel-casino from the real estate developer who stole it, by winning the world's most famous high stakes poker tournament.

A Tribeca Film Festival favorite, the film boasts a stellar, international comedic cast. WOODY HARRELSON, DAVID CROSS, DENNIS FARINA, CHERYL HINES, RICHARD KIND and CHRIS PARNELL. The film also stars award-winning comedian RAY ROMANO, the legendary German film director WERNER HERZOG and sitcom vet GABE (*Welcome Back Kotter*) KAPLAN.

WRITTEN & DIRECTED BY: Zak Penn (*X-Men: Last Stand*, *The Incredible Hulk*, *The Avengers*)

HUMBLE PIE

It's hard not to like Tracy Orbison (HUBBEL PALMER). An introspective Midwestern stockboy. Tracy passes his days scribbling poems in a notebook during shift breaks and day-dreaming of making something more of himself... although there's already quite a bit of him.

In a moment of enlightenment, he enrolls in an acting class taught by a pompous local actor (played by hilarious WILLIAM BALDWIN). Things don't quite go as planned and a tragically comical chain of mishaps leads Tracy to take a more active role in his life.

"If originality and eccentricity were prime rib, this film would be clogging arteries..." – *Variety*

SMITTY

A heartwarming family story about how a young boy's life is turned around by the love of a dog. Starring 2 Academy Award winners MIRA SORVINO and LOU GOSSETT JR. and 4-time Academy Award nominee PETER FONDA. *Smitty* also offers a great supporting cast, including JASON LONDON, LOLITA DAVIDOVITCH, BRANDON TYLER RUSSELL and BOOBOO STEWART from the *Twilight* saga. Award winning director David Mickey Evans (*Radio Flyer*, *The Sandlot*, and *Beethoven* movies) is creating a new family film franchise.

"A heartland family drama with lots of heart. A winner."
-Duane Byrge, *The Hollywood Reporter*
